

Outsource Digital Bushbuckridge Grand Opening

Outsource Digital opened their new Bushbuckridge branch in Mpumalanga with much fanfare and community involvement in April 2014.

The event was well attended by local businesses and the community in general, and Outsource Digital thanked the Bushbuckridge community for the warm welcome. A braai was held as well as an exciting competition wherein a lucky guest Mr. Cyril Mphidi, the head master of Songeni Primary School won a Mercer LCD 32 inch flat screen TV.

“We believe that the Bushbuckridge market is highly lucrative and our team looks forward to growing the Outsource Digital brand into a household name in the region” says Managing Director Ryan Pickford.

The team of experienced sales executives and highly qualified technicians will focus on increasing footprint throughout Bushbuckridge by delivering streamlined solutions and exceptional service.

The Outsource Digital team is extremely proud to have contributed to job creation in the local area, and look forward to being a productive member of the local business community.
